WRITING

A POSTCARD

Dear Sam,

I'm having a great time at camp. In my cabin there are other seven kids with me. They are nice.

Yesterday morning we went hiking. We walked for two hours. The path was very narrow and sometimes steepy and our backpacks were heavy. It was tiring. Then, we had a picnic near a lake. We ate sandwiches and fruit.

In the afternoon, we swam in the lake and we practised canoeing. I enjoyed canoing very much.

I made a new friend, Her name is Pat. She likes cycling and playing chess.

Kisses and hugs,

Ann
